**87/08 HIGHWAYS AND FOOTPATHS**

The Clerk reported the following:

**Highways**

- Cumbria CC had reported that a substantial boundary fence will be erected at the top of the Pea.
- Cumbria CC had reported that a culvert has collapsed on the B6412 at the top of the Pea which is causing the drainage problems. A work instruction had been issued for its repair.
- The Culgaith Langwathby road will be closed at Culgaith North Bridge for 2 weeks from 6 October to allow safety fencing to be installed.

**Footpaths**

- The Chairman and Vice Chairman had attended a site meeting with Capita Symonds to resolve a problem over the Blencarn – Skirwith footpath (320021) at the Blencarn end. It was agreed that Capita Symonds would begin procedures to resolve this legally.

- An application had been submitted on behalf of the Parish Council to Cumbria CC on August 5th to make the path by the church, around Wellgates Cottage and into the field a registered right of way. The application is supported by evidence by local residents, a statement from the Parish Council which included photographs of the signs, waymarkers and kissing gate.
- Concerns had been raised about the crossing over the Crowdundle Beck on the Wythwaite to Milburn footpath (320032). The Vice Chairman reported that the cost of replacing the bridge was about £11,000. The bridge looked to be in the Milburn Parish and would have to be located on a slightly different site because of changes to the size of the beck. **Resolved** that the clerk should pass on the concerns to Milburn Parish Council.
- A number of residents had complained about the fencing off of part of the green lane running between Red House Farm and the Skirwith Ousby Road. This is an occupation lane for taking stock along and the fence was obstructing access by residents to their back gardens. **Resolved** that the clerk should write to the owners of the fence and ask that it be removed.
- Trees were overhanging Bushby Corner in Culgaith. **Resolved** that the clerk should write to the owners of the house and ask that the trees be cut back.
